

Glossy Vinyl

Product Description

This vinyl's glossy surface sheen and texture provide a bold professional look. The stronger permanent adhesive allows for both indoor and outdoor use. It's gentle enough for most indoor walls, but resilient enough to withstand the sun and outdoor weather. Vinyl can be loaded directly into a Silhouette cutting machine and does not require the use of a cutting mat. Recommended use with transfer tape to move cut-out image from original material backing onto intended project surface.

Recommended Use

Optimal for use with Silhouette and other brand cutting machines. For indoor/outdoor use, however, this vinyl is targeted for use with outdoor applications. Product may be applied onto hard flat and mildly textured surfaces, such as walls or glass surfaces.

Adhesive Specifications

Solvent polyacrylate, permanent bond

Release Paper Specifications

Silicone coated release liner to provide easy ability to weed cut-out vinyl from product backing.

Technical Data

Product Thickness:

75 micron / 0.075 mm

Product Dimensions:

9 in x 10 ft (22.9 cm x 3.05 m), or 12 in x 6 ft (30.5 cm x 1.83 m), continuous roll format

Product Surface Treatment:

Glossy smooth surface texture

Printable:

No

Shelf Life:

2 years (in original packaging at 20°C/68°F and 50% relative humidity)

Application Instructions:

Move cut-out designs from original product liner onto project surface with Standard Tack Transfer Tape.

Notes for Use:

Clean project surface thoroughly prior to application. Dust, grease, and other contaminants may negatively impact proper adhesion.
