

Matte Vinyl

Product Specifications & Technical Data

V1.07.22

Product Description

This vinyl's matte surface sheen and texture provide a casual classic look. The removable adhesive allows for both indoor and outdoor use. It's gentle enough for most indoor walls and is easily removable, but can also be applied in select outdoor applications. Vinyl can be loaded directly into a Silhouette cutting machine and does not require the use of a cutting mat. Recommended use with transfer tape to move cut-out image from original material backing onto intended project surface.

Recommended Use

Optimal for use with Silhouette and other brand cutting machines. This vinyl is targeted for use with indoor applications. Product may be applied onto hard flat and mildly textured surfaces, such as walls or wood blocks.

Adhesive Specifications

Solvent polyacrylate, semi-permanent bond

Release Paper Specifications

Silicone coated release liner to provide easy ability to weed cut-out vinyl from product backing.

Technical Data

Product Thickness:

75 micron / 0.075 mm

Product Dimensions:

9 in x 10 ft (22.9 cm x 3.05 m), or 12 in x 6 ft (30.5 cm x 1.83 m), continuous roll format

Product Surface Treatment:

Matte smooth surface texture

Printable:

No

Shelf Life:

2 years (in original packaging at 20°C/68°F and 50% relative humidity)

Application Instructions:

Move cut-out designs from original product liner onto project surface with Standard Tack Transfer Tape.

Notes for Use:

Clean project surface thoroughly prior to application. Dust, grease, and other contaminants may negatively impact proper adhesion.

Color Options

9 inch

12 inch
