

Printable Vinyl

Product Description

Use Printable Vinyl to customize your project surface with anything you'd like to print. Print an image and cut out around the contour using the Silhouette cutting machine's Print & Cut feature.

Recommended Use

Optimal for use with Silhouette and other brand cutting machines. Product may be applied onto hard flat and mildly textured surfaces. Because of the printed surface, this product is recommended for indoor use only.

Adhesive Specifications

Solvent polyacrylate, semi-permanent bond

Release Paper Specifications

Silicone coated release liner to provide easy ability to weed cut-out vinyl from product backing.

Technical Data

Product Thickness:

150 micron / 0.15 mm

Product Dimensions:

8.5 in x 11 in (21.5 cm x 28 cm), sheet format

Product Surface Treatment:

Smooth matte finish surface texture

Printable:

Yes (inkjet or laserjet printer compatible)

Shelf Life:

2 years (in original packaging at 20°C/68°F and 50% relative humidity)

Application Instructions:

Move cut-out designs from product liner onto project surface by hand. Do not use transfer tape as it may damage the printed surface.

Notes for Use:

Clean project surface thoroughly prior to application. Dust, grease, and other contaminants may negatively impact proper adhesion.
